

UT Health East Texas Neurological Institute Neuroscience Symposium 2024

April 26, 2024

This educational activity will provide information on advanced treatments and techniques in the field of neuroscience. It is designed for physicians specializing in family medicine, general practice, internal medicine, orthopedics, general surgery, vascular surgery, neurology, neurosurgery and other specialties, as well as nurses and other allied health care professionals who have an interest in current techniques in neuroscience care.

Lectures will be followed by the opportunity for questions and answers.
