Ben and Maytee Fisch College of Pharmacy

UT Tyler School of Medicine Faculty Development Series is sponsored by the Office of Faculty Affairs and Professional Development. This series is designed to change competencies that align with assessment and enhance reflective practice and guide student learners to be a self-regulated, lifelong learner.

The University of Texas Health Science Center at Tyler is accredited by the Texas Medical Association to provide continuing medical education for physicians. The University of Texas Health Science Center at Tyler designates this live educational activity for a maximum of **1.5 AMA PRA Category 1 credit**™. Participants should only claim credit commensurate with the extent of their participation in the activity.

Learning Objectives

Upon completion of the workshop, participants should have increased information to:

- recall skills for facilitating case-based learning and application to large group interactions
- recognize methods for facilitating large group sessions among different stages of learners and across didactic and clerkship settings
- utilize in-person and virtual strategies during large group interactions
- review strategies to promote self-directed learning and critical thinking
- illustrate tactics to ensure individual accountability in a group setting
- develop an engaging large group activity
